CONSULTANT & BUILDERS

Ref. NE/118/2018

Date 23/7/2018..

To Whom So ever It May Concern

This is to certify that Morning Star School located at Mau Road Badagaon Morar Gwalior Was Constructed under my supervision in the year 2003. The structure design provided by the consultant* and quality of construction is good enough as per earthquake resistant norms of building construction. It is safe for Staff and students. It has all facilities with Portable water supply (R.O.). Sewage System, and is free from pollution.
