Summer Holiday Home work for 3rd class

(ग्रीष्मकालीन गृहकार्य)

Summer Vacations Are Here

Dear children,

We are sure that all of you will enjoy your holidays. You must have started making plans to visit your grandparents, relatives and friends, watching television during the day, taking a dip in the swimming pool and joining some activity classes. We wish that you enjoy every minute of this long break with your family and friends. It will be great if you are able to find time to visit museum and monuments. Learn new things, explore new areas near your house, play indoor and outdoor games, read many story books, help your parents and grandparents, go for morning walk and play in the park in the evening during your long summer break. We are giving you a variety of fun-filled activities and worksheets which you can do during this time. Do them neatly and submit the worksheets to your teachers after the vacation. Wish you all have very enjoyable and fun-packed summer break.

Enjoy

Dear students,

Make separate note books of 100 pages each for your work and you will get marks for your project in evaluation 1 so, please do it in neat and clean hand writing.

Dear Parents,

Between 2nd -3rd Week of July we might have exams so the students should come prepared for Evaluation-I for classes I-V.
