#### SUMMER VACATION HOLIDAY HOMEWORK (Session - 2023 to 24)

\*Summer Vacations Are Here!!\*

Dear children.

We are sure that all of you will enjoy your holidays. You must have started making plans to visit your grandparents, relatives and friends, watching television during the day, taking a dip in the swimming pool and joining some activity classes. We wish that you enjoy every minute of this long break with your family and friends. It will be great if you are able to find time to visit museum and monuments. Learn new things, explore new areas near your house, play indoor and outdoor games, read many story books, help your parents and grandparents, go for morning walk and play in the park in the evening during your long summer break. We are giving you a variety of fun-filled activities and worksheets which you can do during this time. Do them neatly and submit the worksheets **to your teachers** after the vacation. Wish you all have very enjoyable and fun-packed summer break.
