HOLIDAY HOMEWORK 2023-24

CLASS –XII (Science)

“A HOLIDAY IS A OPPORTUNITY TO JOURNEY WITHIN “

Summer Breaks Are On!

Hot sizzling summer reminds us of the time, To break free and bask in the warm sunshine. There are burst of activities without minding the scorching heat, when friends are making merry and relishing the ice cream treat. So blend enjoyment with learning and introspection, to fetch glory and attain perfection.

Knowledge is power and to impart it righteously to our children, we have carefully and meticulously designed the Summer Break Assignment. Summer vacation is the best and fruitful time for learning and nurturing creativity. A variety of fun-filled activities and worksheets are given to be attempted during summer break. **The major emphasis is laid on " *Learning by Doing."***

Attempt the assignments neatly and beautify them by providing required illustrations. Summer vacation is the time to learn and enjoy. So spend these holidays creating a nurturing and stimulating environment filled with fun, frolic and learning.

ENGLISH

Instructions:-

1. Utilize your summer vacation constructively. Read good books/English newspaper daily. Obey your parents & help them. Be in touch with your subject. Learn 5 new words with meanings daily.
2. All summer assignments must be done in a separate assignment copy.
