**Dear Parents,**

**'Always speak in English with your family members and friends.'**

Different types of languages are spoken by people from different regions, but the most important thing is that any language when spoken should be spoken correctly.

The two common languages that our children should be able to speak fluently are Hindi and English. Since English is a universal language spoken and understood by people all over the world, we want our children also to be proficient in speaking it and for this we need full support and cooperation. We would appreciate if you adhere

to the following points:

1. Speak with your child in English. Encourage reading habits.
2. Read out story-books and after finishing the story discuss it with your child.
3. Encourage Word Building and Picture Talk.

The teachers are trying to encourage the children to use simple words, phrases and sentences like:-

- ❖ May I go to play?
- ❖ May I borrow your pencil / eraser / sharpener?
- ❖ I have finished my work.
- ❖ Madam, may I go to the washroom?
- ❖ Madam, may I go to drink water?
